PETITION FOR RULE MAKING

Maurice Salsa (Petitioner), pursuant to 47 C.F.R. 1.401, hereby requests the commission to amend section 73.202 (b) of its rules, the FM Table of Allotments, to allot channel 275A (102.9 Mhz) at Minden City, Michigan.

DISCUSSION

Minden City, Michigan is an incorporated community of over 180 people. Petitioner respectfully submits that the public interest would be served by allocating Channel 275A to Minden City, Michigan, as that community's first aural broadcast transmission service. Minden City has its own town president, Robert Kaufman, its own post office, its own fire department, its own village office and a number of local churches. The proposed channel 275A will provide additional diversity and an outlet for local self-expression to Minden City residents and therefore is in the public interest.

Attached hereto is a channel study confirming that Channel 275A can be allocated to Minden City, Michigan consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992).

Reference coordinates are:

43 40 46 N
82 40 06 W

Petitioner hereby states that if the commission grants this petition, he will apply for the channel when it is allotted, and, if his application is granted, he will promptly build the station.

WHEREFORE, for the foregoing reasons, Petitioner respectfully requests the commission to grant this petition and to allot channel 275A to Minden City, Michigan.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

By:
